

SPECIALIZING IN MARKET VALUES YOU CAN RELY ON

Commercial Real Estate Appraiser Trainee

*Immediate openings available

We have immediate openings for appraiser trainees. No experience required. We will train candidates who have completed their trainee courses and hold a real estate appraiser trainee license.

We will train in some or all of the following areas:

- Physical Property Inspections
- Setting up files for researchers and appraisers
- Researching property information
- Valuation Techniques
- Assist in inputting information (comps, building info, site info)

WestRock Appraisal Services, Inc is a commercial real estate appraisal company with over 30 years of appraisal experience. We use 21st century appraisal methodology to minimize the manual efforts typically needed to execute the appraisal process. Our team members work collaboratively and independently based on the need of the job, the individual, and the organization. Whether you're looking to begin your career or whether your transitioning from your current career let WestRock be a part of your appraisal journey.
